## Sun protection agreement and permission form

I understand Kids House follows SunSmart and Cancer Council Victoria recommendations to use a combination of sun protection measures (clothing, sunscreen, a hat, shade, and if practical, sunglasses) during the daily local sun protection times (whenever UV levels reach 3 or higher), typically from November to the end of April in Victoria. I agree to help support this membership and help minimise my child's potential risk of skin and eye damage and skin cancer by doing the following:

-Dress my child in cool clothing that covers as much skin as possible e.g. tops that cover the shoulders, arms and chest, has higher necklines or collars, and long shorts and skirts. I understand that singlet tops or shoestring dresses do not provide adequate sun protection and are best layered with a shirt or t-shirt.

-Remind my child to bring and wear a sun-protective hat that shades the face, neck and ears (e.g. wide-brimmed, bucket or legionnaire hat). I understand that baseball / peak style caps do not provide adequate sun protection and are not appropriate for outdoor play.

-Give permission for educators/staff to apply SPF30 (or higher) broad-spectrum, water-resistant sunscreen supplied by the service to all exposed parts of my child's skin including their face, neck, ears, arms and legs.

OR

-To give permission for educators/staff to apply SPF30 (or higher) broad-spectrum, water-resistant sunscreen (that I have supplied and labelled with my child/children's name) to all exposed parts of my child's skin including their face, neck, ears, arms and legs. I agree that this sunscreen will be kept in my child's bag and it is my responsibility to make sure there is always an adequate supply available.

-To give permission for educators/staff to assist my child to develop independent, self-help skills by applying SPF30 (or higher) broad-spectrum, water-resistant sunscreen to all exposed parts of their own skin including their face, neck, ears, arms and legs. (Recommended from ages three and above)

- declare that the information in this enrolment form is true and correct and undertake to immediately inform the children’s service in the event of any change to this information;
- agree to collect or make arrangements for the collection of the child referred to in this enrolment form if s/he becomes unwell at the service;

**Confidentiality of enrolment records**

The proprietor of the children’s service must ensure that information in the child’s enrolment record is not divulged to another person unless necessary for the care or education of the child, to manage medical treatment of the child, where expressly authorised by the parent or prescribed in the Children’ Services Regulations 2009 (regulation 35(1) (d-e))

**Lawful Authority**

*Parents*

All parents have powers and responsibilities in relation to their children that can only be changed by a court order. The Children’s Services Regulations 2009 refer to these powers and responsibilities as “lawful authority”. It is not affected by the relationship between the parents, such as whether or not they have lived together or are married. A court order, such as under the Family Law Act, may take away the authority of a parent to do something, or may give it to another person.

*Guardians*

A guardian of a child also has lawful authority. A legal guardian is given lawful authority by a court order. The definition of “guardian” under the *Children’s Services Act 1996* also covers situations where a child does not live with his or her parents and there are no court orders. In these cases, the guardian is the person the child lives with who has day-to-day care and control of the child.

Proprietors are reminded of their requirement to comply with the Information Privacy Act 2000, which requires a Privacy Collection Statement to accompany any enrolment form.
